

# AN INTERACTIVE EVENT FOCUSING ON AGILE TESTING

*The Highly Successful European Conference is Coming to North America!*

Agile Testing Days USA will be a festival for the agile testing community, offering a unique opportunity for sponsors and exhibitors to get up close and personal with attendees to share their latest technologies and solutions.

You'll engage with software managers and senior engineers from leading organizations in an informal atmosphere that encourages relationship building with these key decision-makers and influencers.

**Agile Testing Days USA:**  
June 26–27, 2018  
DoubleTree by Hilton Hotel
